

What Is the Store Policy at Plastic Mart?

Write the letter of each exercise in the box for that answer.

Survey Results: What is your favorite kind of pie?

The "pie chart" shows how 175 people responded to this question.

- E. What percent of those surveyed chose apple?
- A. How many people chose apple?
- L. How many people chose cherry?
- S. What is the measure of the central angle for the "Lemon meringue" sector?
- I. What is the measure of the central angle for the "Banana cream" sector?
- A. What is the sum of the central angle measures in any circle graph?

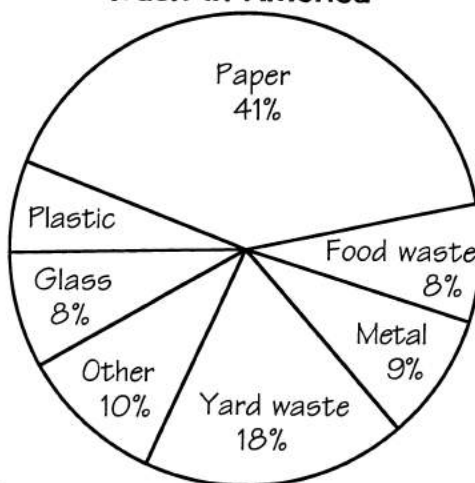

Favorite Kind of Pie

What's in the average American's trash can? The average American throws away about 1800 lb of trash per year. The graph shows the makeup of that trash.

- L. What percent of the trash is plastic?
- N. How many pounds of glass are thrown away by the average American each year?
- A. How many pounds of paper are thrown away by the average American each year?
- E. What is the measure of the central angle for the "Yard waste" sector?
- L. What is the measure of the central angle for the "Glass" sector?
- R. What is the sum of the percents in any circle graph?

Trash in America

What is the source of our power? The chart shows the sources of U.S. electricity in a recent year. In a circle graph of this data, what is the central angle measure for each of the following:

- S. The "Nuclear power" sector?
- Y. The "Coal" sector?
- L. The "Oil" sector?
- V. The "Other" sector?

Source	Percent
Nuclear power	21.9
Coal	56.3
Oil	3.3
Hydroelectric power	8.5
Natural gas	9.4
Other	0.6

What Kind of People Most Enjoy Finger Painting?

Find each correct answer at the bottom of the page and write the letter for that answer under it.

- 1** The Sluggers baseball team uses baseball bats in five different lengths. Complete the frequency table and make a histogram to show the lengths of all the bats used by the team. Then answer the three questions.

Lengths of Bats (in.) Used by the Sluggers							
36	36	35	35	36	36	34	35
35	34	36	37	35	37	35	35
37	35	36	35	38	35	37	36

Length	Tally	Total
